

Cut out a circle from card or use this template and glue it onto a piece of card then cut out

Make two holes near the centre of the circle then decorate both sides

Thread a length of string or wool through the holes and tie the ends together to create a large loop

Wind up the spinner whilst holding both ends of the string

By pulling the ends of the twisted string, your disc will spin

The **Bible** tells us to say **sorry** to God and be baptised. It uses the words '**repent and be baptised**' This means we need to understand that we have done things that are wrong and that God doesn't like. We need say **sorry** to **God** then show and tell him that we will try to do better.

We need to **turn around** and go the right way **towards** what **God** wants and not follow others the wrong way.
