

# Families & Fellowship

Hebrews 10:19-25

Church isn't actually about being a building; it is about being the family of God – a group of people. Christians meet up in the course of the week or on Zoom at the moment for prayer meetings, Bible studies, junior church, youth group, just hanging out, quizzes and so on.

How could we make it more of a "church" experience when we get together. For instance, a ladies coffee morning could discuss a Bible verse together; you and your friend could pray together at some point when spending time together.

It can be hard, but what could you do?

## Father's Day

Sunday 21st June

There are lots of great things about our dads (and parents) in the Bible, but it tells us that God is our heavenly dad. Psalm 103:13 says "Just as parents are kind to their children, the LORD is kind to all who worship him." God does all the good things our dads and parents do, but he is 100% perfect so he never gets them wrong.

Write down some words that describe your dad.

Do these words describe your heavenly dad too?
