

Welcome to our fourth 'Spotlight on World Mission'. We hope you are finding this periodical news-sheet helpful in keeping you up to date with news on the mission partners we support and relevant global issues, prayer points and news from BMS.

If you would like to be part of High Street's World Mission team, or to know more, please talk to one of the team:

Janet Briant, Polly Eaton, Joe Egan, Jennie Sugg,
Chris Sugg, Carol Tipson.

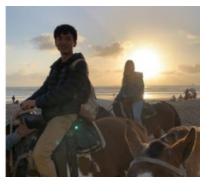

We will be welcoming **BMS mission partners** to our **Sunday morning worship** on:

Sunday 25 April Ovenden family

Sunday 9 May Darby family

John and Leah are currently in the UK and will soon start their training with [Pioneers](#).

They have been reflecting on their time in Turkey and Mexico and recognise that through the many challenges they have had to rely on God not their own strength. Do support John and Leah in prayer for 'next steps'. Please contact Janet to receive their regular prayer letters.

Please sign the petition

BMS are joining UK Christians in calling for the UK Government to take action and fight for a world where everyone is safe from the effects of Covid-19. The Baptist World Alliance's (BWA) petition is a global Christian movement for equitable vaccine access, calling for action from world governments, and thus standing in solidarity with the BWA family of over 47 million global Baptists. To add your name to the petition go to this link www.covidfreeworld.org.uk.

Need to talk?

God calls us in all sorts of ways, and at all stages of life. If you feel prompted to serve overseas then members of the World Mission team are always ready to talk or pray with you. Get in touch with Polly (admin@tringbaptistchurch.co.uk) or a member of the Mission team directly.

Giving by carbon offsetting This is Genesis Acaye, he is passionate about Jesus. He's passionate about communities thriving in northern Uganda. And he's passionate about the environment. Genesis is a BMS mission partner in northern Uganda. He is running a reforestation programme. One of the ways to support this project is to donate money from carbon offsetting. To calculate your carbon footprint and make the payment visit <https://www.bmsworldmission.org/get-involved/campaign/creation-stewardship/>
