

# Eco update#7

## Please sign the Tearfund Christmas card

Tearfund are sending a giant Christmas card to Prime Minister Johnson entitled '**The Proof is in the Pudding**', calling on the UK Government to keep the climate promises made at COP26. You can add your name to the card here: <https://www.tearfund.org/campaigns/proof-is-in-the-pudding?>

## Eco Christmas

Last year we created an eco Advent calendar with 24 tips to green your Christmas, you can download the entire calendar from our website <https://tringbaptistchurch.co.uk/eco-church/>

## Candle recycling

You can post your old candles and tealights direct to the Recycled Candle Company where they will recycle them. They also have a range of lovely candles to buy.

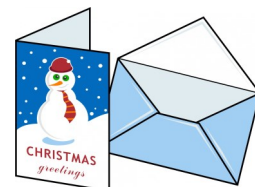

Please note, although we are collecting all candles we use at church, we are not creating a collection point as there is no collection scheme, so we pay the postage ourselves, therefore we ask you to cover this yourself by posting directly.

## CHRISTMAS CARD BOARD

It is lovely to receive real post these days, but we also know that many people choose to save on cards and donate to charity. If you would like to send a card to church friends we are suggesting you send one card or message and post in the foyer for everyone to enjoy. The card board will be in place from 1 December.

## Did you know?

You can do your Christmas shopping locally, and ethically! Wendover has an ethical trading shop with an amazing range of products.

### Just Shop

11 High Street,  
Wendover HP22 6DU

### Open:

10am-5pm Monday to Friday  
10am-4pm Saturday

## Safe and reusable

We have ordered reusable covers for our church cups in order to keep our hot drinks safe and to be eco friendly. We still encourage you to bring your own lidded cups on Sunday mornings to help minimise washing up!
