SEASON OF CREATION

This year's Season of Creation is being launched today. The theme for 2021 is 'A home for all? Renewing the Oikos of God'. Abraham's tent in the logo symbolizes 'a home for all.' Abraham and Sarah opened their tent as a home for three strangers, who turned out to be God's angels (Genesis 18). By creating a home for all, their act of radical hospitality became a source of great blessing. We will be having our own Creation Sunday and Harvest service at the end of September.

The Great Big Green Week, 18 – 26 September 2021

A national week of events celebrating action on climate change. Thousands of events across the country will celebrate how communities are taking action to tackle climate change and protect green spaces, and encourage others to get involved too. Tring's Justice & Peace Group invite you to write to your MP to ask them to be ambitious and proactive at COP26 by backing a fair climate promise. We have the means and opportunity to speak up for farmers and workers facing the worst effects of the climate crisis every day. For more information and advice on how to write to your MP visit:

Stand up for climate justice

The UK and other wealthy countries continue to benefit from a deeply unfair global trade system, which leaves many of the people who make our everyday products unable to earn a decent income, never mind adapt to climate change.
